

CASEL's Sustainable Schoolwide Social and Emotional Learning Workshop

June 15-16, 2009 Chicago, IL
Two-Day Intensive Workshop

This workshop equips school administrators and their teams with the tools and skills to implement high-quality, sustainable, evidence-based social and emotional learning programming that is integrated into all aspects of schooling. Participants learn about the newest research on SEL implementation and sustainability, explore the role of leadership, receive individual consultation from CASEL staff, interact with other schools implementing SEL programming, and leave the training with a comprehensive plan of action for implementing and sustaining SEL programming.

Learning Objectives

- Understand the theory and rationale of SEL as a framework for school change and positive student development.
- Learn about the important role the school leader must play in high quality and sustainable SEL implementation.
- Explore the key steps of SEL implementation and strategies for sustaining programming.
- Create a plan of action to advance SEL programming at your school.

WHO

School principals and planning teams. **CASEL requires the attendance of the school principal (or administrator responsible for the school's SEL initiative).** Minimally we require teams of four, including this administrator, one curriculum-focused individual (e.g., teacher or area head), and one student support staff member (e.g., counselor, social worker, school psychologist).
