

Role-Alike Group, Friday, 12:25 – 1:30 PM

1. What role do you serve in relation to the work of CASEL's Cross District Initiative?

How closely connected are you to it and in what ways?

What has been wonderful about being in this role and what has been challenging?

2. How has this gathering been for you? What questions or concerns are you still left with around the work we are doing together and in your district?

3. From your vantage point of the particular role you play in the CDI, what advice or reminder would you like to give the rest of the group that may be helpful to consider as we continue to collectively work together effectively?
