How can PBL promote SEL?

• critical thinking
• collaboration
• communication, and
• creativity

Our goal is to prepare students to become college and career ready.
The Metropolitan Nashville community will support PBL:

- Partner to create authentic learning opportunities for students.
- Provide real-world, problem solving experiences.
- Equip our students with 21st century skills necessary for success in college and career readiness.
We are in the beginning stages....

2012-2013

• High schools will implement a minimum of 1 interdisciplinary project per semester by academy or team.
  • Engage in Critical Friends
  • Evaluate student work
  • Engage in post project reflection
  • Continue train-the-trainer with Buck Institute

• PD for elementary and middle school administrators, instructional coaches, and some teachers
