

CASEL CARES INITIATIVE
Connecting the SEL Community

Building Equitable Learning Environments in Crisis Mode

PANELISTS' RECOMMENDED RESOURCES

CASEL CARES Webinar: <https://casel.org/weekly-webinars/>

From CASEL

- [SEL and Equity: Beliefs and Actions](#) - this worksheet is intended to promote reflection on beliefs and actions that shape how your school or district leverages SEL to advance educational equity.
- [Guiding Questions for Educators: Promote Equity Using SEL](#) - this worksheet helps educators explore the CASEL core competencies through an equity lens.
- [Emerging Insights on Advancing Social and Emotional Learning as a Lever for Equity and Excellence](#) - this report summarizes five emerging insights based on the efforts of school districts in CASEL's Equity Work Group (EWG).

From The BELE Network

- [BELE Website](#) - BELE is committed to transforming schools into learning environments that nurture the intellectual, emotional and cultural growth of every student – even amidst a global pandemic
- [BELE Framework](#) - the BELE Framework is a guide for transforming student experiences and learning outcomes.
- [Equitable Learning Library](#) - the Equitable Learning Library helps educators, parents, and policy makers find resources and recommendations for creating more equitable and empowering learning environments.
- [BELE Medium page](#) - blogs, news, and resources
- [Copilot-Elevate](#) - elevate student voice to enhance engagement, excellence, and equity.
- [Chicago Public Schools \(CPS\) Equity Framework](#) The CPS Office of Equity developed the CPS Equity Framework for other school districts to become more equitable by adopting a new way of understanding the work of equity.
