From CASEL

- [Portrait of a Graduate](#) - Battelle for Kids has built out a 4 phase design process with examples and supporting materials for bringing together stakeholders to co-create a Portrait of a Graduate, i.e. the community's goals for its students. Free tools include a Getting Started Guide for superintendents and system leaders and a My Sketch tool, which helps the community prioritize competencies and create a visual representation.
- [Thompson School District Graduate Profile and Strategic Plan](#) - Thompson School District in Loveland, Colorado, deeply imbeds SEL throughout their strategic plan, Strive 2025. The plan includes a Portrait of a Graduate, which guides their SEL vision and the development of SEL standards describing what a student should know and be able to do.
- [This Time, With Feeling: Integrating Social and Emotional Development and College and Career Readiness Standards](#) - (Aspen Institute) Primer to understand the mutually reinforcing relationship between social and emotional development and ambitious academic goals.

From Brenda Martinek - Portland Public Schools (PPS)
