The SWERL

Support and effectively communicate the 2021-2022 re-entry plan to LEAs, students, families, and stakeholders.

Establish student and child achievement and expectations reflecting pandemic interruption to guide acceleration efforts.

Rigorous standards

Establish the governance and infrastructure vision for early childhood.

Engaged community

Early learning

Every learner ready for success in college, career, and life.

Environments conducive to learning

Recruit, retain and support highly effective, diverse educators, child care providers, and school staff to meet students' post-pandemic needs.

Equitable access

Provide professional learning and resources that support culturally relevant education in Delaware classrooms and child care settings.
